Presidents report for the year ending 31st October 2011

I have found taking on the presidency of the farming society has been an enlightening, enjoyable and in many ways a difficult experience. However looking back over the years at the many people who have competently done the job and carried the society on from one generation to the next since 1798 there's no doubt you're not going to keep everybody happy along the way, but the continuation of the society is paramount to my own and the management committees beliefs and decisions made by us on your behalf will in effect I believe continue the goodwill and survival of the society for many years to come.

In recent years the societies funds have perhaps not kept pace with the growing cost of surviving in the current economic climate, it was with this in mind we made the decision it was necessary to increase the annual membership subscription to the society. The staging of Our annual summer show has made a successful transition to Kinnudie thanks to the generosity of James and Morag Philip in letting us use the field at no cost. However the cost of constructing and servicing the infrastructure of the show has risen due to many factors namely the increased rate of vat, increased cost of power, utilities tent hire, toilets and the regulatory burden which is frustrating when you consider we organise and run one of Nairn's premier events and attractions of the year ,for the town ,the trade , tourist and visitor alike. Having said that this years show got it right both in organisation and delivery even the weather was with us and I was delighted with the day which also managed to clear its feet and retain a small surplus, to this I am eternally grateful to all involved in making all aspects of the day run so well. would also like to thank my guests for the day Mr and Mrs Pat Smart who carried out their duties on the day effortlessly.

The year has also brought us a change in administration duties with several of the societies tasks being divided and delegated in a format that will hopefully make us more efficient and keep a tighter control on our activities and finances. We have made greater use of technology and many of the societies affairs are now more readily visible and accessible by the use of our website www.nairnshow.org.uk I would like to thank Bryce Mackintosh for his work in maintaining and updating the website.

With the advent of the new Highland wide development plan and the Inner Moray Firth Development plan ,questions have been asked about the future of our show field which we own in Nairn, needless to say we will look after our most valuable asset and no decision will be made without the relevant consultation with our members on its future use.

Our annual dinner and A.G.M. will once again be held in the Nairn Golf Club on February the seventeenth 2012,I look forward to welcoming hopefully a full house to what is usually an entertaining evening.

Many thanks for all who have helped and supported the society over the year it is much appreciated.

Donald Green
President Nairnshire Farming Society.

Treasurers report for the year ending 31st October 2011

It was never my desire nor ambition to become the Treasurer of the Nairnshire Farming Society however as many of you are no doubt aware our President can be very persuasive.

The past year has been a challenging one for the Farming Society as it has for many other charities and organisations, however I am happy to report that both the Nairnshire Farming Society and Nairn Show Ltd have produced a small cash surplus on their activities during the Year ending the 31st October 2011 which during the current financial climate must be viewed as a success.

For the Nairnshire Farming Society to operate profitably it depends on the support of its many sponsors for financial support as well as the countless volunteers in various guises who give up their time on and around show day to ensure the success of the Nairn Show, which is of course our principal event of the year. I would like to take this opportunity to thank you all for your continued support.

Finally I would like to personally thank the President, Donald, Vice President Irene, David Hay and my three very able assistants at Newton of Budgate for their input into the past year.

Douglas Macarthur
Treasurer Nairnshire Farming Society
