Presidents report for the year ending 31st October 2012

A further year on in my presidency of the Nairnshire Farming Society has ended with very mixed feelings. I have the greatest of sympathy for the many people who have suffered this year with the ravages of the bad weather, many agricultural and outdoor orientated businesses and events have suffered and combined with the tough economic climate it has been a difficult year.

We have been lucky, many agricultural shows this year were cancelled due to the weather ,apart from the huge amount of work involved in organising these events the financial loss to those parties must be huge and very downheartening. With this in mind I was both delighted and relieved our own show at Kinnudie farm Auldearn went ahead and we attracted a reasonable crowd which combined with the well attended dance at night and the very welcome financial help from the Nairn Discretionary fund led to us avoiding a deficit in our running of the show.

We still have to be mindful of the increasing cost of running the Show and the Society in their present form and the small cash surplus we have built up in recent years is essential for the future to see us through what could be a rainy day show or worst case scenario a cancelled show. We are very grateful to the many sponsors who have donated to the show this year and I hope they have found it worthwhile.

I would like to thank James and Morag Philip for the continued use of the field at Kinnudie and the many people who contribute in setting up and running and exhibiting at the show. David Hay our show convenor and his team did another good job. I am also indebted to our treasurer Douglas Macarthur for keeping a tight and efficient control of all things financial and presenting the societys accounts in the manner they are.

Finally thanks to the committee of management particularly my Vice President Mrs Irene Macarthur who have been a great help in the running of the societys affairs.

Our dinner and A.G.M. will be in The Nairn Golf Club on February 22nd 2013. Last years dinner attracted a full house and was a very enjoyable evening.

Many thanks to all those others who have helped and supported the society over the year it is very much appreciated.

Donald Green

Treasurers report for the year ending 31st October 2012

I have pleasure in delivering my second and penultimate Financial Report as Treasurer of the Nairnshire Farming Society.

Despite the ongoing uncertainty and general lack of confidence in the economy the Farming Society has yet again completed the year in a positive financial position. As the attached accounts will show the Society has finished the year with a cash reserve of £30,000.00 up £2000.00 on the previous year.

This achievement of this result has only been achievable as a direct result of the generosity of the Societies members and sponsors who continue to support us both financially and willingly with their time, without such support the Society could not survive.

The Annual Summer Show was a success and posted a profit for Nairn Show Ltd again this was down in the main to the efforts all our volunteers under the stewardship of our Show Convenor, David Hay and his family.

Going forward it is inevitable that at some point in the future the Society will have to use some of the cash reserves it has accrued over the past number of years either as a result of the ongoing recession or inclement weather on Show day, either way the future of the Society is secure for the foreseeable future.

I would like to give special mention to both Donald and Irene for all their efforts and leadership that they have given the Society over the past twelve months.

Finally I would like to save my final appreciation for "our first lady" Julie Green who gave up so much of her time freely and without fuss in providing secretarial support to the Society over the past year I'm sure that the committee and membership fully appreciate all her efforts.

Douglas Macarthur
